Dear Sir:

In response to the Office Actions dated December 23, 2003 in relation to the above-identified patent application, please amend the application as follows:

In the Claims:

Please add new Claims 23-31 as follows:

23. A decorative candle display comprising:

a) a container defining an open top;

b) a quantity of candle wax material disposed within the container; and

c) at least one gelatinous structure partially embedded within the candle wax material so as to be observable via the open top of the container.
